	Suitable car parking
	Overhead power lines
	Footpath
	Vehicle track

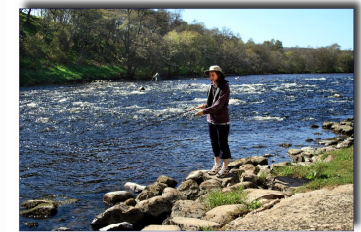

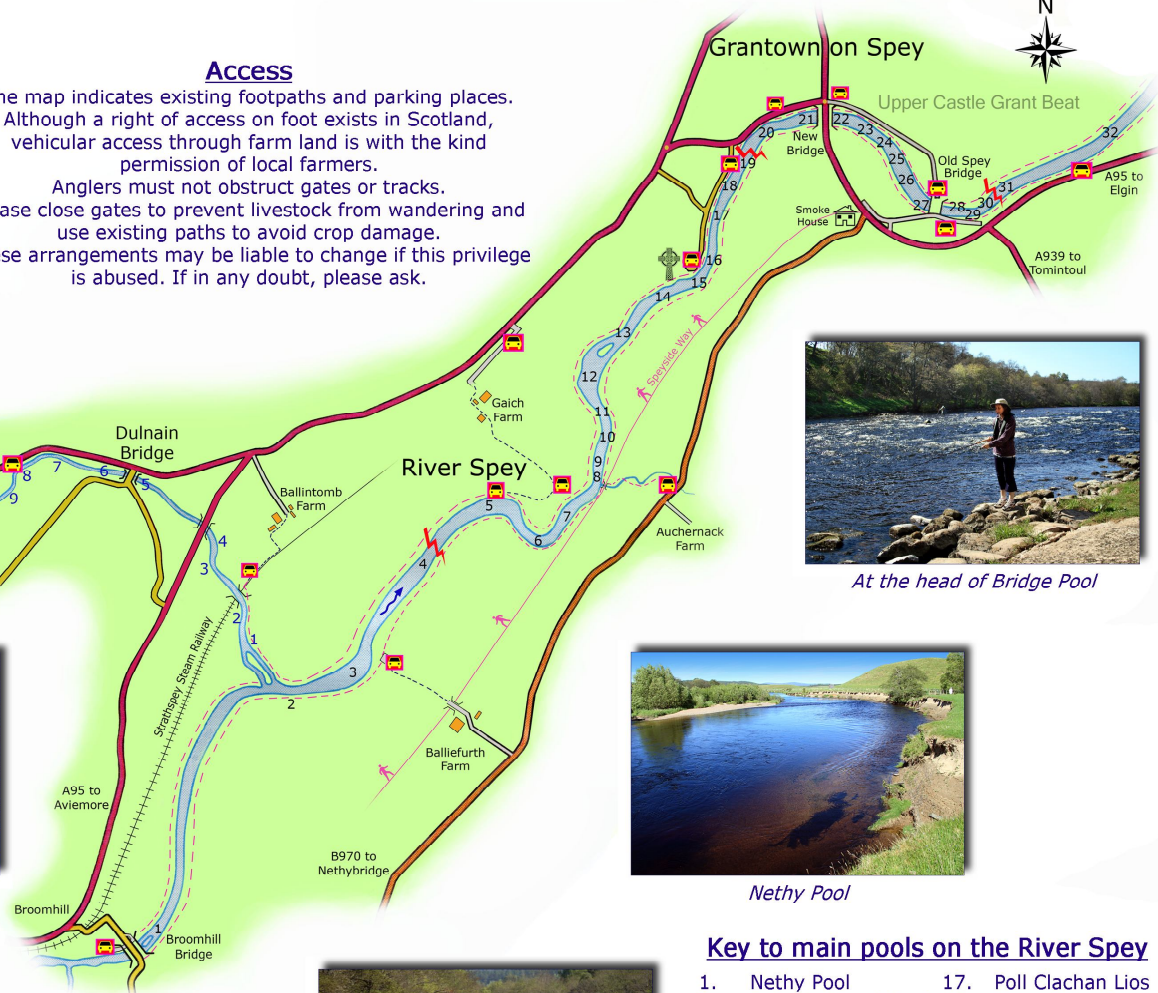

Towards the famous Lurg Pool

Access

The map indicates existing footpaths and parking places. Although a right of access on foot exists in Scotland, vehicular access through farm land is with the kind permission of local farmers. Anglers must not obstruct gates or tracks. Please close gates to prevent livestock from wandering and use existing paths to avoid crop damage. These arrangements may be liable to change if this privilege is abused. If in any doubt, please ask.
